E-mail: uk@dreamyachtcharter.com
Embarkation: Port Hamble Marina

Dreams Yacht Charter, Port Hamble Marina, Satchell Lane, Hamble, Southampton, Hampshire, SO31 4QD

How to get there

By road

From the M27, exit at J8 for Southampton east/Hamble.

At the exit roundabout of junction 8, take the exit signposted Southampton and Hamble. At the next roundabout take the exit signposted for Hamble on the B3397. Then follow the B3397 for several miles, going straight over three roundabouts and following signs for Hamble. You will eventually arrive in the village of Hamble and will go past Barclays Bank on your left, a large church on your right and will then come to a row of shops and a bus stop and turning area.

At the shops continue on, bearing left, and then follow the road for approximately 100 metres. Then take the first right turn into Port Hamble Marina onto Marina Drive and follow this road down into the Marina. Dream Yacht Charter/Fairview Sailing is located next to Force 4 chandlery).

By rail

From London - the easiest route by rail from London to Hamble is to take a fast train from London Waterloo to Southampton Airport Parkway. This journey takes just 70 minutes. Slow trains take about 20 minutes more. At Southampton Airport Parkway take one of the numerous taxis to Port Hamble Marina. Dream Yacht Charter/Fairview Sailing is located next to Force 4 chandlery). You can also get a taxi from Southampton Central station.

From other destinations/stations – It is best to get trains to Southampton Airport Parkway or Southampton Central and then take taxis from these stations. There is a local station at Hamble, which can be reached from Southampton Central and other local stations. However, there are rarely taxis at Hamble station and best to order one in advance.

Things to know:

- Only soft bags - No suite case (rigid suite cases are too cumbersome)

- **Suggested Personal clothing:**

Long sleeve shirt, warm socks, comfortable shore shoes, toiletries including towel, woolly hat, sun cream, sun glasses and soft soled deck shoes. Please bring everything in a soft bag (no suitcases). If you are spending the night please bring a sleeping bag and pillow. As a general rule, you should bring clothing that is suitable for both hot and cooler/windy weather.

If crew members can refrain from wearing high heels onboard we would be most grateful, as this damages the yacht and they are also unsafe.

We also recommend good quality sunglasses that block out all UV rays. A sun hat is also recommended.

- **Health & Safety**

For your own safety we strongly recommend that all non-swimmers wear a life jacket when on the pontoons.

Furthermore, we recommend that all crew members, regardless of their swimming ability, wear a life jacket whilst onboard a yacht.
